UNDER-SELLING OF DSP AND CIIP SELLING PRICES

Dear all DSP& CIIP Agents

Recently the Citizenship Commission has received numerous complaints regarding malpractices of some of the designated DSP and CIIP Agents deliberately promoting and or selling DSP and CIIP Citizenship fees or prices under the required selling prices as prescribe by the Regulation Orders of the said programs. The Commission received such complains with substantiated evidences that such practices has been doing for a while to which the Commission will not entertain such practices but to remind all that if this continues to escalates, then the commission will immediately take actions to terminate any DSP or CIIP Agent based on the Contract signed.

In addition it is very clear under the Contracts that the duty of the Commission is to remind all Agents under clause 4(1)-(e) of DSP Contracts and paragraph (iii) of CIIP Contracts about duty of selling prices of each programs. These provisions allows for fair and just promotion of Vanuatu Citizenship program on market. Since the reputation and quality service of the programs are essential, it is our grave concern that all designated Agents must adhere to all fees that are regulated by the Orders.

The Commission affirms its position under the Contracts and Regulations to continue reminding all Agents that non-compliance by under-selling of prices by the Agents will definitely be dealt with by the Commission after this reminder.
